Thank you for choosing Vizcaya Museum and Gardens for your photography session. Vizcaya is designated a National Historic Landmark by the United States government in recognition of its importance to the history of our nation. Vizcaya is an accredited public museum (not a park). Vizcaya is a fragile place filled with irreplaceable statues, architecture, trees and plants. Please walk carefully around the grounds and remain on paved, stone or gravel pathways at all times.

This permit admits five (5) people, including the photographer, client and assistants. This permit is valid for one photography session, for one client. All members of the party must enter and exit through Admissions, and must check in at the same time with their photographer. Photography is permitted between the hours of 9:30 a.m. and 5:30 p.m., outdoors only. All photographers, clients and assistants must leave through Admissions.

Please keep your confirmation email (as proof of payment), the Rules and Regulations form, personal items and equipment with you at all times. If you do not have proof of purchase, you and your party will be asked to leave the property.

Thank you for yielding to Vizcaya staff and volunteers conducting tours and programs as well as other visitors exploring the estate. Please be advised that not all of Vizcaya’s gardens or areas are accessible or available at all times due to restoration, programs, event rentals or unforeseen circumstances.

If you do not comply with these rules and regulations, you may be asked to leave Vizcaya’s premises and forfeit your payment.

The photographer is responsible for the conduct of their party. Photographers who do not abide by these guidelines (including members of their party) will be subject to permanent loss of privileges. Vizcaya reserves the right to cancel this photography session without a refund and to remove any party from the premises for violations of any rules and regulations.

Thank you for abiding by these guidelines to make your visit as safe and enjoyable as possible, and to maintain Vizcaya as a world-class landmark and cultural destination.
