Hist/Bio Note: Charles Goetze (1870-1943) worked at Vizcaya on furniture and gilding sometime during the years 1915-1917. It is unclear who assembled this scrapbook and wrote the captions. The dismantled scrapbook was donated to Vizcaya in 2017 by Wendy Bonnadio, Goetze's great-granddaughter. The collection was found in Ms. Bonnadio's grandmother's attic after she (grandmother) passed away. Most images include Charles Goetze; also highlighted is Uncle Kipfer, who was probably a close friend or possibly a blood relative. Charles Goetze and his wife, Minnie, later became parents of Anna Elizabeth Goetze, Ms. Bonnadio's grandmother.

Scope: This unbound scrapbook was donated to Vizcaya in 2017 and digitized in 2018. Original order of pages is unclear. The collection features images of Vizcaya under construction, as well as sights around Miami, fishing trips, hydroplanes, street scenes, and local boarding houses. Named locations include Miami; Ocean Beach; Cocoa Beach; Jacksonville, Florida; Biscayne Bay; Rock, New Jersey; Bahama Island; Charleston, South Carolina; Dixie Highway, Miami; Bedford, New Jersey; and Baer Mountain.
