His specialties include society portraiture, theatrical photography, and architectural photography.

Scope: This digital collection includes 71 images of Vizcaya taken circa 1926, but before that year's September hurricane.

Photographic prints are signed "F. E. Geisler, N.Y." and are sepia-toned and black and white gelatin silver prints measuring 8 x 10 inches. Included with the collection are signed, duplicate prints for most images. The collection includes glass plate negatives, some in need of conservation.
