Hist/Bio Note: This collection features images of Bertram Winston and his wife, Anne Odell Winston, with James Deering at Vizcaya, in Egypt, and in Paris, France. It also includes photographs of Marion Howe, Charlie Howe, and Muriel Winston Kaminer. The Winstons were close friends of James Deering and Muriel is their adopted daughter.

It is unclear who Marion and Charlie Howe are; though they share the name of James Deering's brother-in-law (Richard Flint Howe, husband of Abby Marion Deering Howe), research as of April 2020 has not shown a connection to that family. It is also unknown if Marion and Charlie Howe are a married couple, or are siblings or cousins. It is also unknown what their relationship to the Winstons and Kaminers was.

Scope: This collection includes images of the gardens and grounds of Vizcaya while James Deering was in residence, the boats Nepenthe and Psyche, Deering's chauffeur Tito Ferri, and portraits of Anne Odell Winston, Bertram Winston, Muriel Winston Kaminer, and Marion Howe. Other photographs feature Marion Howe, Charlie Howe, the Century of Progress Exhibition of 1933-1934 in Chicago, Illinois, a hunting trip to Egypt, and images from the Paris wedding of Marion Deering and Chauncey McCormick which occurred on July 6, 1914 from James Deering's Paris home.
