Hist/Bio Note: In 2017, the management and operation the estate transferred from the Miami-Dade County Parks and Recreation Department to Vizcaya Museum and Gardens Trust Inc., a non-profit organization. This shift marked the culmination of a years-long process beginning in 2012 examining and making recommendations on Vizcaya's governance structure. Prior to the shift in management, Vizcaya had been operated by the Miami-Dade County Parks and Recreation Department since the estate's transfer to the county in 1952. The ownership of Vizcaya remains with Miami-Dade County.

Scope: This collection consists of architectural drawings, blueprints, and sketches for the upkeep and renovation of Vizcaya's main house, gardens, and village. The collection covers the Trust management period beginning in 2017. Included are plans for renovation, new building, and conservation of existing architectural aspects. Access to this collection is restricted.
